

Iffat Gul Shirazi

Trainer/Counsellor @
Professional Partnerz.LLC

Professional Partnerz' Customized Schooling System. Students' and Parents' Counseling requires an enthusiastic, passionate and dedicated professional psychologist and *Iffat Shirazi* is the perfect fit

With both her bachelors and Master's degree in Psychology. *Iffat Shirazi* stands out as a complete

textbook. She has worked with children in a day care setting and is recognized as a dedicate enthusiastic teacher who always places the children's best interests first. Iffat has been involved in developing teaching training

plus child and parent counselling. With her long experience and over 40 training sessions at Professional Partnerz she

has turned out to be most loved trainer. She loves to see the confidence that trainees get from regular training. Her proven

communication, team building and coaching skills are effective at all teaching levels. She has a straight forward and professional approach to people development which ensures participants get highly involved in her workshops and come

away with key skills plus the motivation and belief to put these into practice. She is also a vital component of Professional Partnerz' Customized Schooling System. She evaluates each child and then helps teachers design curriculum to fit each child's skill and pace.
