

Ayesha Mirza

Director Operations/Trainer @
Professional Partnerz.LLC

Ayesha Mirza is the Director Operations at Professional Partnerz and a Master Trainer with over 100 trainings sessions under her belt and a diploma of 'Master Trainer' from USA. Her experience of a decade as a teacher and a trainer, MBA in HR and a diploma in Montessori makes a perfect combination of a top-class trainer. Her communication skills and dedication go a long way in placing her as the most acclaimed trainer in the industry. Her proficiency stimulates learning environment in which individual can develop their full potential. She excels at providing unique care essential for child's development.

Ayesha always strives to put students (child or adult) first, observe and understand them closely and this guides her to teach them in a manner that makes their learning experience exciting. She loves connecting with Montessorians/early years from around in spreading Montessori through teacher training, she has become an agent of change not only in the adults she trains but also the children that they will teach. Ultimately, the Montessori Method of Education helps children become in tune with who they are, therefore making them at peace with themselves.
